Alistar rides in & out of melodic flows on his newest single, "Can't Take A Loss". From sold-out shows to being published on Lyrical Lemonade & more, the artist creates what critics have called a creative masterpiece. "Can't Take A Loss" tells a story about owning your life and letting go; From being your own boss to not letting the world contain you, in a harmonious cadence that expresses Alistar's own success journey. We asked Alistar on his intent behind the song and he replied, "I wanted to create a feel good song that you can enjoy while cruising in the fast lane."

Alistar is a Chicago, IL-born Hip-Hop/Pop artist who opened for a sold-out crowd at Nectar Lounge (Seattle, WA) for his Debut performance on New Year's Day, 2023. With Lyrical Lemonade declaring Alistar to be “talent.. not gone unnoticed,” he slides his lyrics across the table like a shot of smooth whiskey. Alistar made his introduction to the rap game with his debut single — Cabo [2021] —before being played across radio and published on critically acclaimed publications such as The Hype Magazine, Lyrical Lemonade, and more.
